

CVS Specialty®

Medication and support just for you

We're a specialty pharmacy that provides personalized care to help make living with your condition a little easier.

What is a specialty pharmacy?

It's a pharmacy that provides specialized medications. This may include medications that help manage complex conditions (such as rheumatoid arthritis, multiple sclerosis and cancer) or those requiring injections or infusions.

A team of pharmacists and nurses specially trained in your condition

You can send a secure message to your CVS Specialty CareTeam any time you have a question about your health or medication. You can also get tips on how to take your medication correctly, help you manage side effects and stay on track.

A choice of pick up or delivery

Get the medication you need, when and where you need it. Have it delivered to any place nationwide or pick it up at any CVS Pharmacy® location.*

*Where allowed by law. In-store pick up is currently not available in Oklahoma. Puerto Rico requires first-fill prescriptions to be transmitted directly to the dispensing specialty pharmacy. Products are dispensed by CVS Specialty and certain services are only accessed by calling CVS Specialty directly. Certain specialty medication may not qualify. Services are also available at Long's Drugs locations.
