Manage your prescriptions on your own time

We make it easy to keep track of your prescriptions, check for savings and more from your mobile device.

Our mobile app gives you a secure, simple way to manage your prescription benefits. Find a nearby network pharmacy. Learn about your medication and get information you can trust. Do all this—and much more—at your convenience.

Keep an eye on drug costs and check for lower-cost alternatives that might save you money.

Order and track refills, and get timely refill reminders so you never miss a dose.

Check if a drug requires prior authorization so your doctor or pharmacist can start the review process.

Access your prescription list, member ID cards and drug history at your doctor's office or anytime you need them.
